SENATOR BARNETT: Mr. President, I move for the advancement of LB 3 to E & R initial. It simply removes the maximum number of session laws and Journals that can be printed by the Secretary of State.

PRESIDENT: The bill is advanced to E & R initial. LB 4.

CLERK: Read title to LB 4. There are no committee amendments or other amendments pending.

SENATOR BARNETT: Mr. President, I'd move for the advancement of LB 4 to E & R initial. I would say also that maybe they ought to pay attention on this one, as far as a revisor bill. It still increases the fee of the lobbyists from \$5 to \$25, but it covers a two year period. That is all this bill does is increase the fee from \$5 to \$25 and it also increases the coverage period from one year to two years.

PRESIDENT: Senator Keyes.

SENATOR KEYES: Senator Barnett, does this do anything about who is required to become a lobbyist, what is required, etc.? In the Committee on Committees, last year, we had some discussion of who would be lobbyists and who would not. Does this settle it?
